PACKAGES

SELECT FROM THREE LUXURY PACKAGES

Each of our packages include hairstyling services for the day of the wedding, either in salon or on location. We also include services for the evening before the wedding, wether it be in preparation for the rehearsal dinner or just a relaxing evening with the bridal party. Enjoy shampoo and blowout services to have everyone looking fresh for the rehearsal, and ensuring that the hair is appropriately prepped for the day of the wedding.

We also offer additional services for the evening before the wedding, ranging from express manicures and pedicures, to 30 minute chair massages.

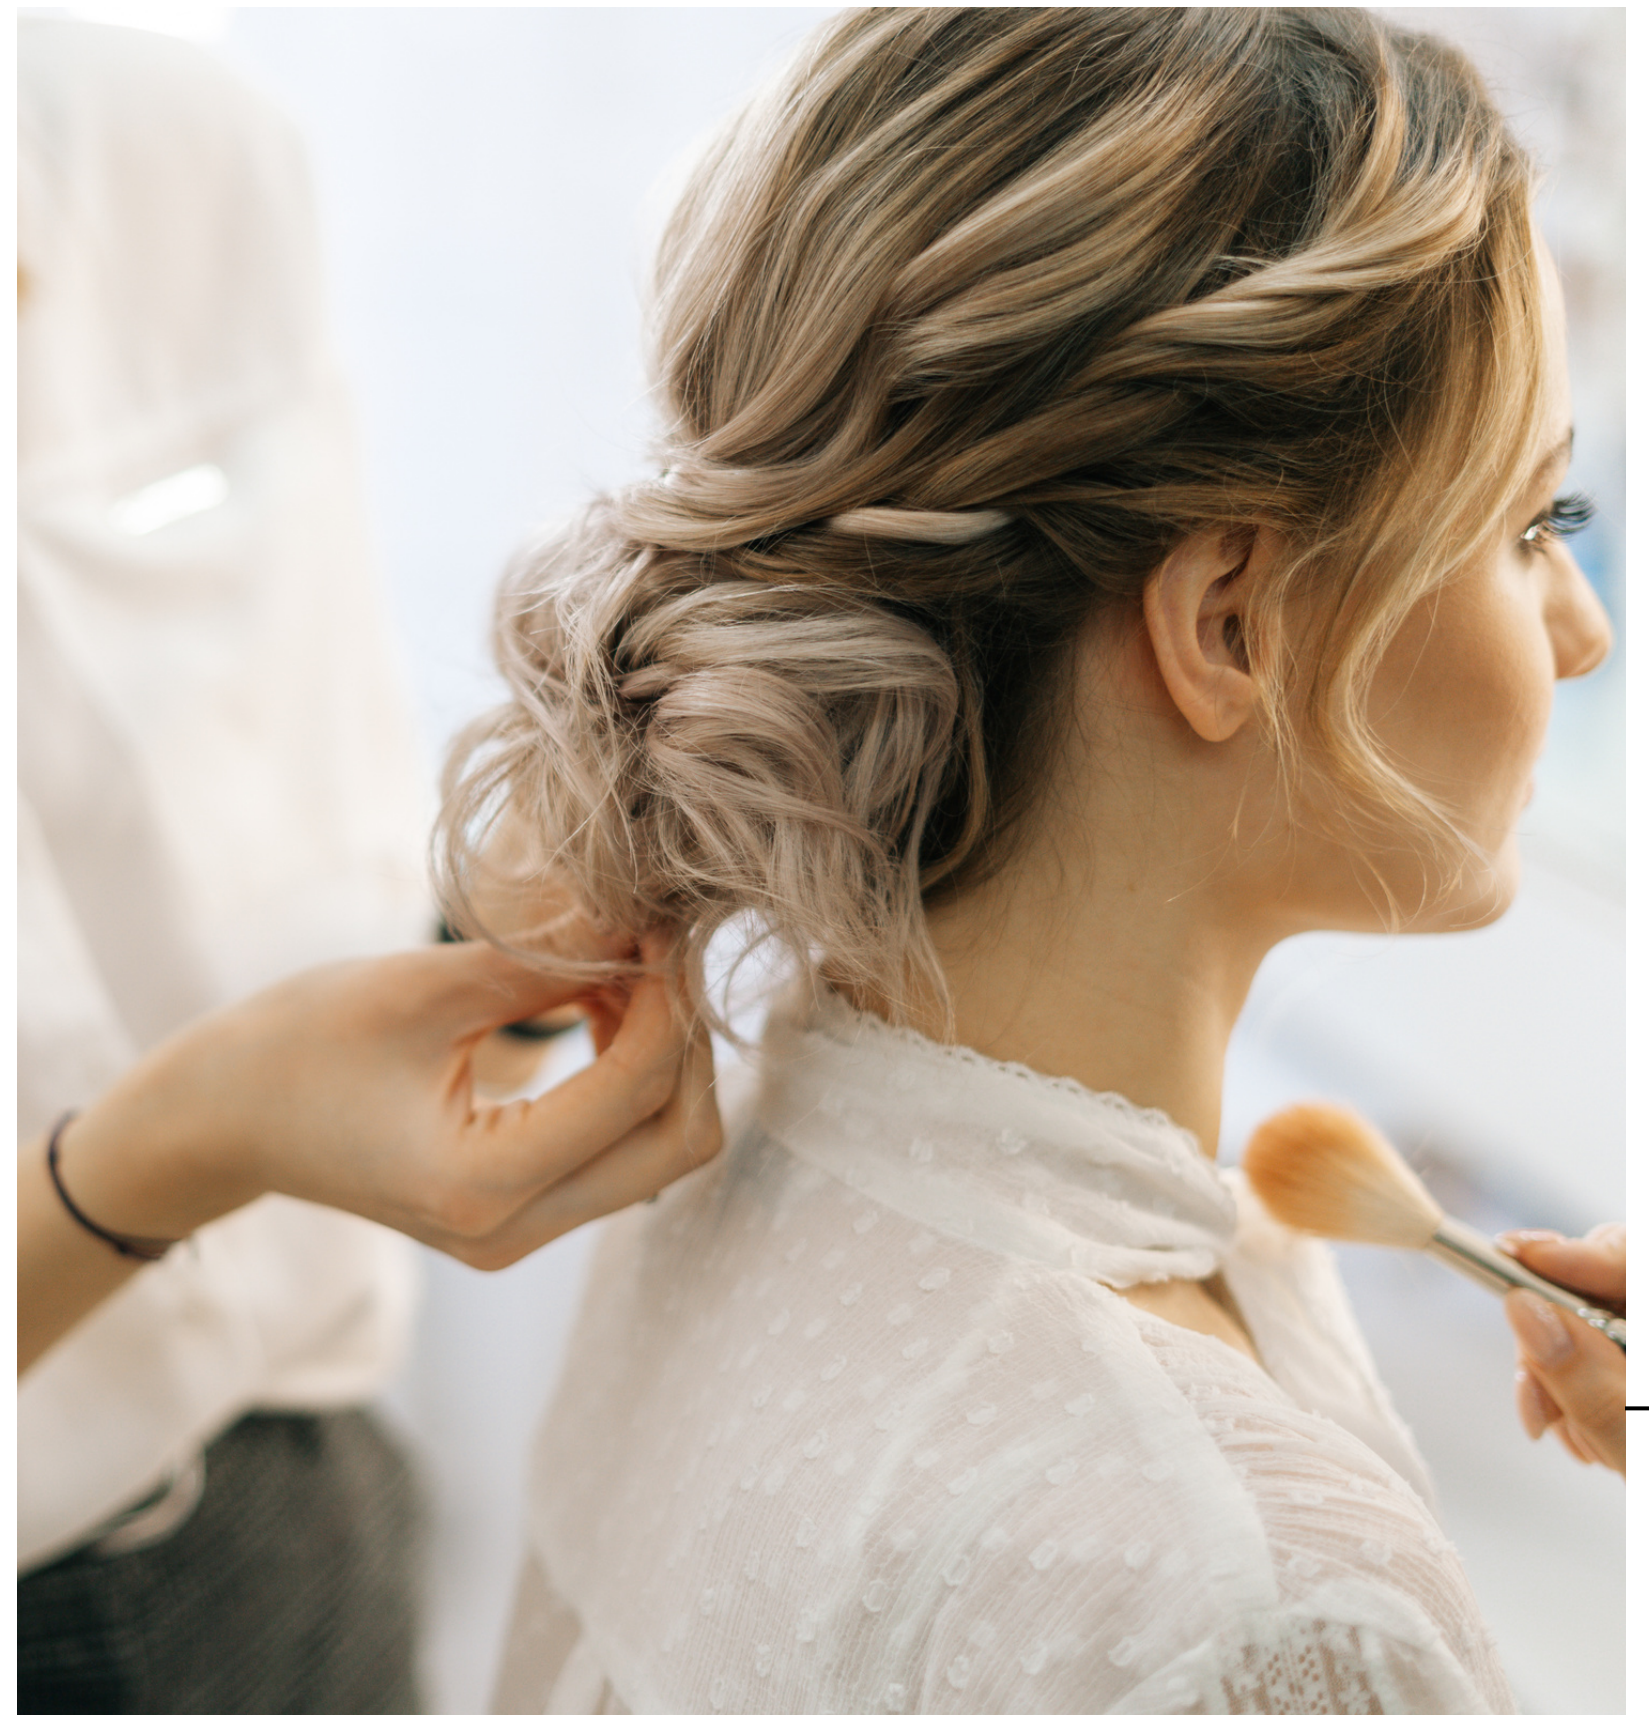

CONSULTATION

LET US DESIGN A STYLE THAT MAKES YOU SHINE

Each package requires a trial and consultation where you'll meet with your stylist and discover a hairstyle for your wedding day that enhances you! We allot up to two hours where we will discuss your inspiration and try different styles, photo journaling each of them from different angles. This allows us to explore options and design something unique specifically for you.

The consultation is required to take place at least two months before the wedding date. The wedding contract will be completed and signed before beginning the consultation. A contract and \$100 deposit are required to officially reserve your wedding date.
